4. Description of Duties

The Humanities Panel is responsible for (1) advising the National Council on the Humanities and the Chairperson of NEH on policies, programs, and procedures of NEH as requested; and (2) making recommendations on applications for financial support submitted to NEH.

5. Agency or Official to Whom the Committee Reports

12. Membership and Designation

Members of the Humanities Panel are selected on the basis of their subject matter expertise in a humanities discipline or on the basis of their experience in a humanities institution, or both, in order to ensure that all applications are reviewed under the highest standards of excellence in the humanities. Members are selected from a broad range of humanities disciplines (including languages, literature, history, jurisprudence, philosophy, archaeology, comparative religion, ethics, and the history, criticism, and theory of the arts). Members also are selected from a wide range of humanities institutions (including colleges, universities, archives, libraries, museums and historical societies). To the extent practicable, NEH strives to form panels reflecting wide ethnic,

racial, gender, and age representation. Additional considerations include equitable geographic representation of panelists and inclusion of panelists whose location, type of institution, or status of institution may be underrepresented in humanities funding. Members serve as Representative members, and it is estimated that 800-900 individuals will serve as panelists each year.

13. Subcommittees

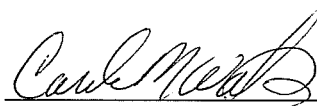

NEH has the authority to create subcommittees. Subcommittees must report back to the parent committee, and must not provide advice or work products directly to the agency.

14. Recordkeeping

The records of the committee, formally and informally established subcommittees, or other subgroups of the committee, shall be handled in accordance with General Records Schedule 26, Item 2 or other approved agency records disposition schedule. These records shall be available for public inspection and copying, subject to the Freedom of Information Act, 5 U.S.C. § 552.
